**Eiffel Tower → Colosseum 1500km Charity Solo Hike:** My name's Caolan Kelly from Lusmagh, Banagher. I'm an adventure enthusiast who loves traveling and new experiences. Although I have a background in Biomedical Science and Engineering, my real passion lies in exploring new places and challenging myself to grow. I'm dedicated to helping others who feel directionless in life, as I once did. I am doing this by sharing my unfiltered journey online of leaving the 9 - 5 conventional path to create a more fulfilling lifestyle. Why am I doing this? to Spread Awareness/Help Break the Stigma Surrounding Mental Health/Personal Growth. I am raising awareness for Young People's Mental Health in Ireland by supporting and **raising funds for Jigsaw**. Starting Point - The Eiffel Tower, Paris/1st of August. Ending Point - The Colosseum, Rome/ Mid September. I will start this 1500KM Solo Hike on the 1st August and it will take approximately 6 weeks to finish. I aim to cover between 30-40km on foot each day, passing through the French countryside, The Swiss Alps and continuing all the way to Rome. I'll be documenting every step of the journey on my socials. Instagram / TikTok - [kelly\\_caolan](https://www.instagram.com/kelly_caolan) Email: [caolankelly24@gmail.com](mailto:caolankelly24@gmail.com) I'll be releasing a weekly podcast episode throughout the experience. ### GLENSTAL PRAYER

Drive away the darkness that surrounds me, spread around me the Mantle of your Light. Help me to know your Will and give me the courage to do it.
