Remember in November

November is the month of the Holy Souls when we are reminded to pray especially for our departed people. The communion of All Saints is a very enriching part of our catholic belief, indicating that there is a special bond between those who have gone before us and ourselves, still on our earthly journey.

Harvest time, the fall of the leaf, is nature's way of gently reminding us of our own mortality. It need not be such a troubling thought. In the Celtic understanding, time is not a straight line, which comes to an end but a circle to be completed. Death completes the circle, the last great moment when our life here on earth reaches its fulfilment.

A Prayer to the Saints

May all that splendid company, Whom Christ in glory came to meet, Help us on our uneven road made smoother by their passing feet. O Father, Son and Holy Ghost, May we keep faith till time shall cease. Grant us a place among your saints; The poor in spirit, people of peace. The saints will dwell in the kingdom of heaven; their peace will last for ever. (Divine Office)
